To convert yard times to meter times, multiply by 1.103.

To convert meters times to yard times, divide by 1.103.

The following guidelines will be used to qualify individuals and relay teams to the 2010 All-Star meet.

1. An individual swimmer must swim a time equal to or faster than the established qualifying time for each event at his/her team's Divisional meet in order to qualify.
2. In addition, the Champion of each event at his/her Divisional Championship Meet will be an automatic qualifier to the All-Star Meet.
3. Each league team will qualify one relay team for each relay event regardless of time. The relay team must have competed in the Divisional Championship Meet.
4. A second relay team may qualify for the All-Star Meet, if they are faster than the 2009 qualifying time.
5. If two relay teams are entered in the All-Star Meet, both teams must have met the qualifying time.
6. All swimmers on a relay team must have competed in the Divisional Meet.
